

# Executive English Confidence

## For whom?

- **Senior Professionals**
- **Managers**
- **Executives**

## This Coaching we will enable you to

- speak clearly and confidently in meetings
- respond spontaneously without hesitation
- express complex ideas with precision
- sound professional and credible in English

Meetings will take place online in 1:1 sessions and will be aligned to your busy time schedule.

All subjects are tailored to real work situations and will train your individual wordings.

## Why this is a valuable Coaching

This is a highly effective preparation for leaders and executives **who** - once and for all - **want to gain clarity and confidence in international meetings.**

## Your takeaway:

**Leave insecurity and uncertainty in English meetings behind.**
